

City of Albemarle
North Carolina

City of Albemarle Cross-Connection Program
Approved Backflow Assembly Tester List

Please Note:

- Only the testers listed below are currently approved to test/repair backflow preventers in the City of Albemarle's Water System.
- Test results from unapproved testers will not be accepted.
- Always request a copy of the test results for your records.
- Prices and Services vary by Contractor.
- Fire System Contractors who are certified testers may test/repair backflow preventers on domestic, fire, and irrigation water services.
